**2019 Rosé**

Full of fresh citrus, watermelon, and grass on the nose. Mouthwatering acidity carries more tropical fruit flavors.

**2017 Cabernet Franc** "Lovely aromas of dried herb, scorched earth, ripe raspberry, crushed dried leaves and anise are out front. The palate brings lightly tacky-feeling cherry and chocolate flavors, showing the wine's youth."

**2016 Vineyard Select Merlot** Showing terrific ageability.

Boysenberry, cedar, and purple flower aromas waft from the glass. Abundant raspberry, dark chocolate, and dried herbs on the palate. This is a powerful wine, with defined tannins, mouthwatering acidity, and an impressive finish. Enjoy with a hearty meal, in front of a fireplace.

**2015 CUT BANK SANGIOVESE**

100% Sangiovese bursting with red fruit and earthy aromas. After 28 months in oak and almost as long in bottle, this is a well-aged wine that is suitable for additional cellaring or enjoyment right away.
