

WALLA WALLA

VINTNERS

2021 ESTATE VOTTAVO

VINTAGE NOTES

The 2021 vintage gifted us with perfect conditions for our estate Sangiovese. Fruit from our cherished one-acre parcel on Cut Bank Estate spent 26 days developing complexity through gentle twice-daily delestage before pressing. We aged the wine for 28 months in 500L puncheons, blending in 10% Cabernet Sauvignon at 10 months to enhance color and texture. After bottling in March 2024, we gave it an additional year to harmonize before release.

TASTING NOTES

Our Vottavo (named with a playful nod to our history as Walla Walla's eighth bonded winery) opens with an exuberant burst of candied cherry and plum, complemented by our estate's distinctive woody-floral aromatics of lavender, black walnut, and rosemary stem. The palate unfolds with generous layers of blue fruit, dried purple flowers, and subtle notes of roasted tomato and dusty country road. Plush, mouth-filling texture builds to moderate, chewy tannins before finishing with a lifted, bright acidity. A wine that promises to evolve beautifully over the next two decades.

TECHNICAL DETAILS

APPELLATION

Walla Walla Valley

COMPOSITION

89% Sangiovese,
11% Cabernet Sauvignon

Vineyard Source

Cut Bank Estate

FERMENTATION

Fermented in 2-ton stainless steel tanks. 26 days on skins. Pumped over twice daily with mid-fermentation delestage.

AGING

28 months in 500L neutral oak puncheons

BOTTLING DATE

March 2024

RELEASE DATE

May 2025

PRODUCTION

120 x 750mL 12pk

ALCOHOL

14.9%

ACID

5.7 G/L

PH

3.71
