2022 WOVEN FIELDS RED BLEND

VINTAGE NOTES

An amazing vintage that tested us and rewarded us in equal measure. Spring snow and cool temperatures had us holding our breath, but summer warmth helped the vines catch up beautifully. October delivered four perfect weeks for ripening, leading to an intense but rewarding harvest. While 70% of fruit arrived in just three weeks, the results were worth the hustle. The wines shine; showing vibrant acidity and elegant balance.

TASTING NOTES

The 2022 Woven Fields demonstrates the art of blending, delivering complexity well beyond its price point. Aromas of blackberry pie, ripe plum, and violet weave together with cardamom and fresh herbs. The supple, creamy palate unfolds in waves, showcasing barrel-derived vanilla, chocolate, and tobacco notes. Black fruits and baking spices carry through the balanced finish, supported by well-integrated tannins.
