2022 OLD VINES CABERNET SAUVIGNON

BACCHUS VINEYARD

We feel incredibly fortunate to work with Bacchus Vineyard's original 1972 Cabernet Sauvignon plantings – a rare treasure in Washington wine. These 50-year-old vines are part of the largest collection of old-vine fruit in the state and stand proud in the White Bluffs AVA, overlooking the mighty Columbia River and Rattlesnake Mountain.

Rising from 550 to 900 feet in elevation, these gentle slopes create perfect conditions for even ripening, while the soft rolling knolls ensure excellent air drainage and optimal warmth. With each vintage, these deep-rooted veterans produce Cabernet Sauvignon and Cabernet Franc of remarkable depth and complexity. These aren't just grapevines. They are the very roots of Washington wine history, and we're honored to share their story through our wines.

International
WINEREPORT

*Its medium to dark ruby-purple core is framed by a luminous purple rim, setting the stage for its enticing aromatics. The nose reveals layers of spiced gingerbread, ripe boysenberries, cassis, dark plums, and earthy tones of damp soil, intertwined with hints of dark chocolate and cedar. The palate is lush and opulent, showcasing rich black fruit flavors with undertones of cedary leather and subtle herbal accents. **Highly Recommended** - Jeremy Young*

TECHNICAL DETAILS

APPELLATION

White Bluffs

COMPOSITION

82% Cabernet Sauvignon,
12% Merlot,
6% Cabernet Franc

Vineyard Source

Bacchus

FERMENTATION

Multiple lots fermented for an average of 19 days in 6 ton stainless steel tanks. Pumped over twice daily with mid-fermentation delestage.

AGING

22 months in 60% new French oak and 40% neutral French oak barrels

BOTTLING DATE

August 2024

RELEASE DATE

October 2025

PRODUCTION

380 x 750mL 12pk

ALCOHOL

14.9%

ACID

5.2 G/L

PH

3.8
