### 2022 ESTATE CABERNET SAUVIGNON

#### VINTAGE NOTES

An amazing vintage that tested us and rewarded us in equal measure. Spring snow and cool temperatures had us holding our breath, but summer warmth helped the vines catch up beautifully. October delivered four perfect weeks for ripening, leading to an intense but rewarding harvest. While 70% of fruit arrived in just three weeks, the results were worth the hustle. The wines shine; showing vibrant acidity and elegant balance.

#### TASTING NOTES

The 2022 Cut Bank Estate Cabernet Sauvignon proves how challenging vintages can produce stunning wines. Our estate's low yields and meticulous canopy management delivered beautiful ripeness with characteristic structure - one of the finest Cut Bank Cabernets we've made. Aromatically expressive with marionberry, blackberry, and huckleberry pie layered over cocoa powder, baking spice, tarragon, and rose petals. The palate is broad and powerful with dense, fine-grained tannins that hint at its decade-plus aging potential. Sourced from three estate blocks (predominantly Block 2 Clone 6 Cabernet, with Block 1 Clone 4 Cabernet and Block 3 Merlot).
